

# Faith Lutheran School Vista, California

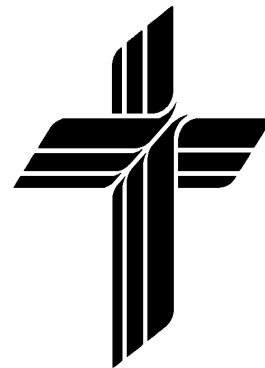

## Our Mission

*Faith Lutheran School is a ministry of Faith Lutheran Church, fostering personal relationships with Jesus Christ and equipping students for effective Christian living. Through high quality educational programs, Faith prepares the child to live productively in a changing society. Faith endeavors to minister to the whole child and the child's family.*

## Expected School-Wide Learning Results

### Students as Christians will

- Know and express Jesus as their personal Savior
- Grow in their relationship with the Triune God
- Share God's love with others

### Students as life-long learners will

- Develop critical thinking skills
- Demonstrate effective problem solving skills
- Apply problem solving and critical thinking skills for making decisions now and in the future
- Meet or exceed state academic standards
- Set, prioritize, and monitor the progress of realistic goals

### Students as individuals will

- Recognize their body as a gift from God and develop habits for a healthy life-style
- Develop good study habits, demonstrate self-discipline, and strive to do their personal best
- Recognize, understand, and value their own uniqueness as children of God

### Students as responsible and successful community members will

- Demonstrate knowledge, respect, and understanding of local and global communities
- Contribute time and talents in service to others
- Communicate effectively by using speaking, listening, reading, and writing skills
- Acquire skills to work and play cooperatively
- Appreciate the beauties of God's creation and care for God's physical world
